JAZOON'12: Expand Your Reach

Don't miss out on the Technology Event of the Year.

After five successful conferences (2007 - 2011) reaching more than 4'500 participants from 50 countries and over 400 speakers, JAZOON is ready for the 2012 edition with an extended concept to open new potentials.

JAZOON'12 will cover a broad range of topics and cater to a wide audience of professionals involved in decisions regarding software development processes. As an international conference, JAZOON features approx. 70 sessions over three days.

We look forward welcoming you to JAZOON soon!
